70ft Crane Boat: Lock Gate Changing

The Rothen Group have launched their new 70ft Crane boat. This is ideal for lock gate replacement projects as it has a 16 tonne crane with a max reach of 8m. It is capable of lifting between 3.5t at 4.5m and 870kgs at 14.6m.

The boat has the capacity to carry the lock gates to/from site as it has a large hold space with gate frames (if required) and then work off its hydraulic jack legs to create a stable platform for replacing the gates.
